

US 195 Corridor Safety Improvements

February Open House

You are cordially invited to join us for an open house hosted by the Washington State Department of Transportation (WSDOT). This open house will be covering all proposed improvements to the US 195 Corridor from White Road to Interstate 90, including the complete planned city street system and accesses along US 195.

The Washington State Department of Transportation will present maps and displays. Our staff will be available to listen, take comments and answer your questions regarding US 195. There will be no formal presentation at this open house, so plan to drop-by anytime.
